**VEDANA** combines five therapies for a complete restorative relaxation session

**ThermoTherapy**
The system can reach and maintain 80ºC (175ºF), the temperature recommended for authentic dry-heat ThermoTherapy.

**Chromatherapy**
Vedana diffuses colors in precise wavelengths that maximize the benefits of your therapeutic care, in accordance with your needs at a given moment.

**Sound Therapy**
The Vedana sound system totally surrounds you, covering up any other audible frequencies, and offers an exquisite sound experience.

**Light Therapy**
With its precision Litebook technology, Vedana is the cutting edge in terms of light intensity, wavelength, and range.

**Aromatherapy**
The aromatherapy system operates with an essential-oil nebulizing diffuser, the most authentic and effective method available.

**Four guided experiences**

4 sensory experiences to foster your well-being in a restorative daily ritual. Sounds carry you away on a wave of melody. You savor the tiny, fragrant droplets of essential oils, while warmth, light, and color further enhance the transformative experience. You can choose to enjoy each experience individually. Or you can go deeper, treating yourself to the full sequence of four experiences.

**Two preprogrammed sessions**

Two 30-minute preprogrammed sessions are also included. Vivere brings you to a place of replenishment where you experience a profound encounter with yourself, while Echo helps you let go and lose yourself in contemplation.
