Note: Overall product dimensions are model specific and may vary slightly from illustration. Refer to model's product specifications for actual dimensions.

Freestanding Range Specifications

- Product Shipping Weight (approx.) - 180 Lbs.
- Voltage Rating - 120V/60 Hz/5 Amps
- Amps @ 120 Volts = 5 Amps
- Always consult local and national electric and gas codes.
- Make sure wall coverings around range can withstand heat generated by range.
- Linoleum or any other synthetic floor covering located beneath range, must be capable of withstanding minimum heat of 90°F above room temperature without shrinking, warping or discoloring. Insulating pad or 1/4"-thick plywood required between range and a carpeted floor.
- Do not obstruct flow of combustion air at oven vent nor around base or beneath lower front panel of range. Range requires fresh air for proper burner combustion.
- Do not install range beneath any downward-blowing, overhead vent hood or air curtain.
- Range ships with 3/4" factory regulator.
- Range is LP Gas convertible. (Optional LP Gas Conversion Kit available.)

- Floor beneath range MUST be solid and level.
- Overhead cabinetry should not exceed a 13" maximum depth.
- Absolute minimum horizontal distance between overhead cabinets installed to either side of appliance must be no less than maximum width of appliance.
- Range can be installed flush to wall with 0" minimum rear clearance.
- Minimum clearance required (from edge of rangetop to nearest combustible wall on either side of range above 36" height) is based on largest burner output rating on cooking surface.
- To reduce risk of fire when using overhead cabinetry, install range hood that projects horizontally a recommended minimum of 5" beyond bottom of cabinets.
- Follow all dimension requirements provided to prevent property damage, potential fire hazard, and incorrect countertop and cabinet cuts.

Note: For planning purposes only. Refer to Product Installation Guide on the web at frigidaire.com for detailed instructions.

Optional Accessories

- LP Gas Conversion Kit - (PN# GRLP4).
