- IcePlus™ Accelerated Freezing Function

KEY FEATURES

24 cu.ft. Large Capacity in 33"

If you feel like you never have enough space for your groceries, or find yourself cramming them in, it's time to discover the convenience of having a refrigerator with the largest capacity available in its class. With 24 cu. ft. of space in a 33" wide refrigerator, you have plenty of room for plenty more.

Smart Cooling System

Smart Cooling system is designed to maintain superior conditions within the refrigerator. The Linear Compressor reacts quickly to temperature fluctuations and helps keep your food fresher, longer. Meanwhile, strategically-placed vents in every section help to surround your food with cool air no matter where you put it.

SmartPull™ Handle

The SmartPull™ Handle makes opening and closing the freezer quick and easy. All it takes is a simple lift of the handle for effortless access to your freezer.
