This Fisher & Paykel top loader washing machine has a large 22lb capacity for family-sized loads and bulky items.

White

Dimensions

Depth	28"
Height	Ⓐ 42 - 43"
Width	Ⓑ 27"

Features & Benefits

SmartDrive™ Technology

Our world-first SmartDrive™ technology is made up of just three main parts. This means our washing machines can sense each load, use less water and run with less moving parts for greater reliability.

Easy to use

This machine has a cycle to suit every type of load including Allergy, Delicate and Regular. Select a cycle with the easy to use SmartTouch™ controls.

Large capacity

The large 22lb capacity is ideal for larger families and can wash bulky items with ease.

Energy saving

Eco-Active™ boosts soil removal while saving energy. Its unique technology recirculates water and detergent through the clothes, rapidly removing stains, dirt and killing bacteria.

Soft-close lid

The robust steel lid has a soft close mechanism that makes it family safe, avoids slamming and allows for hands-free operation.

Quicker drying

Drying times are reduced due to a fast spin speed of 1100RPM which helps remove more water.
